

2025 Cincinnati Tradition meal plan

During regular rehearsal days, members are on their own to secure meals. Meals will not be provided by Cincinnati Tradition unless we are on a road trip.

Any meals that are provided on road trips will be disclosed ahead of time to the membership and will be delivered on site by a company we secure that meal with, for example, a local sandwich shop such as Subway, etc.. Breakfast items may be secured from a local grocery store and will be individually wrapped or contained for ease of distribution. A continental breakfast is available at the hotel for DCI Championships. The potential meals that could be provided by Cincinnati Tradition on Championship weekend are: Lunch on Thursday, Friday, and Saturday will be catered in as well as dinner on Saturday only.

All items relating to the meal such as plates, napkins and plastic wear will be disposable and discarded upon completion of use by the individuals. Hand sanitizer will be present for use prior to any meal service.
